The committee discussed various issues related to allotment of residential quarters and the following decisions were taken:-

1. Quarter No. 4 (Type-VI) is likely to remain vacant till 30.04.2026. The committee decided that the said quarter may be offered to the next eligible officer as per the seniority list. As Serial No. 1 in the seniority list has already been allotted a quarter and Serial No. 2 has submitted an application declining government accommodation, the quarter may be offered to Serial No. 3, Dr. Meenakshi Thakkar, Director, GNEC.
2. The committee considered the representation of Ms. Shivani Justin, Nursing Officer, R/o 377/96, Type-II, who is suffering from Fibrotic ILD (NSIP) with lung capacity reduced to 31%, and is unable to climb stairs. Since she is entitled to a Type-IV quarter and no ground-floor Type-IV quarter is presently available, the committee decided that she may be offered a Type-III ground-floor quarter, if available, on medical grounds.
3. The committee agreed to offer a residential quarter to Mr. Sukhpal Singh, In-charge CCTV, as per the directions of the Dean, MAMC one type below to his eligibility.
