CIRCULAR

Subject: Issuance of Transfer / College Leaving Certificate for MBBS Students

It has been observed that requests are being received from MBBS students for issuance of a Transfer Certificate / College Leaving Certificate after completion of the MBBS course.

In this regard, it is hereby informed that **Maulana Azad Medical College (MAMC)**, being an affiliated college of the **University of Delhi**, does not issue a separate Transfer / College Leaving Certificate after completion of the MBBS course.

For the purpose of migration, admission, or transfer to another university/institution, the **Migration Certificate issued by the University of Delhi** is the officially recognized and valid document for university transfer purposes.

All concerned students are therefore advised to apply for and submit the **Migration Certificate issued by the University of Delhi**, along with other relevant academic documents, to the concerned institution wherever required.

This may be treated as standing instructions for all MBBS students and alumni.

This issues with the approval of the Competent Authority.
