It has come to my notice that some of the medical and paramedical staff who were assigned duties for covid-19 screening at different positions especially at IGI Airport as per request by Govt. have approached to Delhi Govt. hospitals and attempted to avoid duties by taking medical certificate on trivial issues.

As this is an important duty for various activities to be carried out as per guidelines of MOHFW, Govt. and require human resource deployment, therefore as has been discussed with Secretary (H&FW), GNCTD, it is requested that necessary instructions may please be issued to all HODs/ Medical officers in dispensaries to take special precautions while issuing medical certificate & take judicial decision.
