**Sub: Extension for submission of thesis by PG (MD/MS/MDS) Students of Batch 2021.**

Madam/Sir,

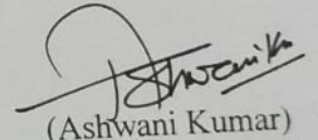

The Faculty of Medical Sciences has received several requests regarding extension of time for submission of thesis beyond 29.02.2024 by PG (MD/MS/MDS) students, Batch 2021.

In this regard, it is informed that the BRS in its meeting held on 17.02.2023 considered that the academic session for the batch 2021 of Postgraduate courses was commenced from 01.02.2022 and resolved that the last date for submission of thesis by the PG (MD/MS/MDS) students batch 2021 be extended upto 29.02.2024.

Now, the Competent Authority of the University, considering the recommendation of the Head of the Institution and also in the larger interest of the students, has decided to further extend the last date for submission of thesis for the PG (MD/MS/MDS) Batch 2021 upto 15<sup>th</sup> March, 2024, without late fine, as one-time exemption. No further extension will be granted in any case.

The concerned students may please be informed accordingly.

Yours faithfully,
