Circular

Motor Accident Claims Tribunal (Central) has taken a serious note of the delays in finalising opinions on MLCs in MACT cases, at the end of city Hospitals, in its order dated 15-04-2015 in respect of FIR No. 112/13 and 249/14.

As per the observations of the said Tribunal in the aforesaid case, the DARs are required to be submitted within a period of 30 days from the date of accident, as per the direction of Hon'ble High Court. Inordinate delay in filing of DARs has been observed in number of FIRs on account of delay in final opinion in MLC. A communication gap between MRD section of the Hospitals and investigating agencies has been reported, due to which a time schedule is not followed to ensure that the opinion on MLC is given by the concerned doctor in a time bound manner.

To prevent such delays at the end of Hospitals it has been decided to issue following instructions which are required to be followed by every Hospital under the Govt. of NCT of Delhi.

Every MS is to ensure that henceforth the MRD section shall make it a point that final opinion of the MLC or objection, if any, are communicated to the concerned I.O. within a period of not later than 2 weeks. Every MS shall also issue necessary circular to the faculty members/ doctors concerned to ensure that opinion on MLCs is finalized at the earliest and avoidable delays must be curtailed. Every MS shall also issue necessary instructions to all concerned to ensure that all such MLCs on which opinion has been finalized but which have not been collected by the concerned I.O., shall be forwarded by MRD section to the DCP concerned on a monthly basis regularly.
