Sir,

I would like to bring to your kind notice that due to an inadvertant delay on part of our office staff the attendance records of the 'Revision posting' of two students (details given below) was not submitteed in time for doing the necessary calculations. Due to this the attendance of these students was found to be short of 75% and their names were submitted in the detainee list of the department . After doing the calculations with the new attendance records, it has been found that both these students have more than 75% attendance. So it is requested that their names may be removed from the detainee list.

Detail of the students

<u>Roll No.</u>	<u>Name of student</u>
