INTRODUCTION

Admission in Maulana Azad Medical College, a premier institution, brings lots of happiness to the students and their families. The college session starts on 15th September 2023. Ragging had been a prevalent in the professional colleges and university campuses in our country. Maulana Azad Medical College has always taken adequate measures for prevention and control of ragging every year. However, due to the ugly incidents of ragging in other colleges of Delhi and the rest of the country reported in the newspapers and media, there is anxiety and fear among the new entrants and their family members. The college would like to alleviate this fear and anxiety and provide a conducive environment for learning during the course. Following the Hon'ble Supreme Court's direction, and as teachers we aim to make Maulana Azad Medical College a ragging free campus.

WHAT IS RAGGING?

"Any disorderly, behaviour whether by words spoken or written, or by an act which has the effect of teasing, treating or handling with rudeness undisciplined activities which any other student, indulging in rowdy or causes or is likely to cause annoyance, hardship or psychological harm or to raise apprehension thereof in a fresher or a junior student or asking the students to do any act or perform something which such student will not in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment, so as to adversely affect the physique or psyche of a fresher or a junior student" Hon'ble Supreme Court.

Thus, ragging includes:

- (a) Act of physical and sexual abuse, homo sexual assault, stripping, forcing obscene, and lewd acts, gestures, causing bodily harm or any other danger to health.
- b) Act of abuse by spoken words, emails, snail-mails, public insults, perverted pleasures, vicarious or sadistic feelings from actively or passively participating in the discomfiture to others.
- (c) Exploiting the services of junior students for completing the academic tasks by the seniors
- (d) Act of financial extortion or forceful expenditure.

- 
- (e) Any act that affects the mental health and self confidence of students.

Directions of the supreme court

The Hon'ble Supreme Court has focused to tackle the problem of ragging by the following measures:

1. Primary responsibility for curbing ragging rests with academic institutions themselves.
2. Ragging adversely impacts the standards of higher education.
3. Incentives must be available to the institutions for curbing the menace and there should be disincentives for failure to do so.
4. Enrolment in academic pursuits or a campus life should not immunize any adult citizen from penal provisions of the laws of the land.
5. Ragging needs to be perceived as a failure to inculcate human values from the schooling stage.
6. Behavioural patterns among students, particularly potential raggers need to be identified.
7. Measures against ragging must deter its recurrence.
8. A concerted action is required at the level of the school, higher educational institution, district administration, university, state and central government.
9. Media and civil society should be involved in this exercise.

RECOMMENDATIONS OF RAGHAVAN COMMITTEE

The Committee constituted under Dr. R.K. Raghavan, Former Director (CBI) to give suggestions for prevention of ragging in educational institutions of the country. Dr. A. K. Agarwal the former Dean, Maulana Azad Medical College, New Delhi was one of the members of the committee. The Committee has submitted its report on May 7th 2007 and given recommendations. Some of the important recommendations are as follows.

1. Act which violates the dignity of the student or is perceived to violate his/her dignity should also be considered as ragging
 2. Sensitization programme involving parents, students, teachers media should be
- 

formulated and implemented.

3. For prevention of ragging, a tiered structure should be there, where senior students should be made responsible for a group of freshers particularly in hostels should report to teachers/warden who will report to the Dean or Head of institution
4. Helplines should be offered.
5. Victims may lodge an FIR.
6. Terms of punishment are as follows:

* **Categories of ragging and punishment**

- **Verbal Ragging:** When senior causes mental harassment, discomfort for the junior by forcing him/her to answer unacceptable/personal questions, dance, sing etc. is said to rag the junior. It also includes within its ambit cyber ragging.

Punishment: 1 year imprisonment or fine.

- **Severe Verbal Ragging:** When the mental harassment, discomfort is to such an extent as forces the junior to withdraw from the college.

Punishment: 7 year imprisonment with fine.

Punishment: 7 year rigorous imprisonment and fine.

- **Ragging Evidence:** Act of ragging witnessed by teacher, non-teaching staff or administrative staff to be treated as final.

The institution must be an active party to lodge an FIR

 - (5) An undertaking to the similar effect should be obtained every year each student admitted to the hostel.
 - (6) The undertaking should be appended to the brochure containing the guidelines and other relevant instructions in regard to ragging and consequences of indulging in ragging.
 - (7) The compliance to the above effect shall be ensured by each of the affiliating university to which the concerned medical institution is affiliated and would be verified by the council annually.
 - (8) In order to ensure the 'ragging free environment' in the campus each institution shall compulsorily in the 'prospectus' and other admission related documents, shall depict the earlier directions of the Apex court and / or of the Central or, State Governments as applicable, so that candidates and their parents are sensitized in respect of the prohibition and consequences of ragging
 - (9) Each institution should engage or seek the assistance of 'professional counselor' at the time of admissions to counsel 'freshers' in order to prepare them for the life ahead, specially for adjusting to the life in hostels.
 - (10) It should be ensured that there would be a clear gap of one to two weeks between

the date of joining of 'freshers' and the 'seniors' ensuring that classes for the seniors shall commence later, so as to enable the 'freshers' to familiarize themselves with the campus environment and adjust to the sudden changeover from schools to higher education.

- (11) It shall be mandatory for the institutions to inform the parents of senior students to send their wards only on the due date of commencement of the academic session and not earlier.
- (12) All the examining Universities with which the institutions are affiliated or the deemed to be universities shall compulsorily amend their relevant ordinances or byelaws, as the case may be, to incorporate the schedule gap of one or two weeks between the date joining of 'freshers' and 'seniors'.
- (13) Each institution shall arrange a joint 'sensitization programme and counselling' of both freshers and seniors' to be addressed by the Principal/Head of the institution and the Convener of the Anti Ragging Committee. The inmates of the hostel shall be addressed on this count by the Hostel Warden.

- (15) Each institution shall constitute a Mentoring Cell to oversee and involve senior students as 'Mentors' for the 'freshers'.
- (16) Such a Mentoring Cell shall be constituted at the end of every academic year, where application shall be invited from the students to join the Mentoring Cell as Mentors for the succeeding academic
- 17) An anonymous random survey shall be conducted by each institution across the entire 1st year batch of students every fortnight during the first three months of the academic session in order to verify and cross-check whether the campus is genuinely ragging free or not
- 18) The methodology of such survey may be designed by the institution appropriately. However, doing so it shall be ensured that the institution does not compromise with the anonymity of the 'whistle blowers'.

- 
- 19) The institution shall ensure that private commercially managed lodges or hostels outside campuses, must be registered with local Police Authorities and permission to start such hostel or their registration must necessarily be recommended by the Heads of the Medical Institutions
 - (20) In case the victim of ragging his/her parent guardian is not satisfied with the action taken by the Head of the Institution or by other institutional authorities, or where Head of the institution is of the opinion that the incident ought to be so reported, it shall be mandatory for the institution to file a First information Report with the local police authorities.
 - (21) It must be ensured by each of the institution that the complaints or information in regard to ragging could be oral or written and even from third parties and the confidentiality thereof must be protected at all costs.
 - (22) Each institution shall ensure that remedial action is initiated and completed within a week of the incident itself, so that complaints do not linger and allow either interest in pursuing the matter to wane or enable the culprits to tamper evidence or influence witnesses.
