Call For Applications: Dissertation/Training Programme for Graduate/Post-Graduate Students

Multidisciplinary Research Unit (MRU) of Maulana Azad Medical College (MAMC), New Delhi offers one to six months of dissertation/training programme for students pursuing Graduation /

post-graduation in Biotechnology, Biochemistry, Genetics, Immunology, Life and Environmental Sciences and allied science twice in a calendar year during January to June and July to December.

- 1) **Eligibility:** Students enrolled in Bachelors' and Masters' programme (B.Sc., M.Sc., B.Tech and M.Tech.) in relevant subjects from any recognized government university / institute / college are eligible to apply.
- 2) **Application:** Interested students may apply by submitting the duly filled application form (Page 2) along with a write-up on any scientific topic of their interest (world limit: not more than 500 words). The application needs to be submitted to mru.mamc@gmail.com. The applications will be accepted twice for batches "January-July" and "July-December", and the last date for submission of applications is one month before the batch starts.
- 3) **Intake:** Number of students being admitted in a batch may vary depending on the available vacancies in our laboratory.
- 4) **Period:** 1st batch (January - June); 2nd batch (July - December)
- 5) **Selection:** Primary screening will be centralized and purely based on merit (academic credentials only). Previous laboratory exposure, soft skills such as writing capacity in English, communication skills, scientific data extraction etc. will be given due preferences. Upon selection, the candidate will be informed through e-mail or call. An undertaking along with a forwarding letter from the Head of the Institution/Department will be required to submit before the due date for confirmation.

NOTE:

1. Disclosure of information to third party without prior approval of the supervisor shall not be permitted. All Intellectual Property arising from the project work will solely belong to MRU, MAMC, New Delhi. The concerned student will be given due credit in publications/patents related to work carried out.
2. It is mandatory for the students to strictly follow the institutional norms and complete the desired duration of the training. Certificates will be issued only after submission of thesis and no violation/interim request either from the student or their host institute/universities/colleges will be entertained.
3. The students will not be entitled to the privileges accorded to the officials and staff members of the institute.
4. Students should make their own arrangements for accommodation, travel, and living expenses.
5. Dissertation training programme does not entail guarantee of any form of employment.
6. MRU of MAMC accepts no responsibility for costs or fatality arising from illness or accidents incurred during the training programme; therefore, students have to take charge of their conduct, behaviour and health.
