Guidelines in respect of Interns

In continuation of the earlier circular dated 03.06.2013, 15.06.2013, 29.09.2016 & 24.01.2020 regarding the guidelines for duties of the Interns, the contents therein are reiterated & it is directed that they may be followed in letter & spirit.

The contents of the aforesaid circulars are reproduced as under:-

1. Interns will not work more than 48 hrs./week and not more than 12 hrs. in a given day.
2. Interns should be entrusted with clinical responsibilities which include history & examination, performing standard clinical procedures and emergency procedures as listed in their Log Book (HODs to ensure that these are complied with & should not be certified unless interns actually do that)
3. Interns should not be used as Nursing Orderlies for just collection of reports or transporting sample.
4. In order to ensure interns do not fraudulently represent missing colleagues during their relevant postings, they should be provided with photo IDs issued by Academic Branch which they would always carry while at work.
5. Ordinarily, an intern is not required to transport samples or collect reports of the patients. In the event of emergency situation, he may be required to do so.
6. The intern will be required to carry out any work assigned by the Unit Incharge during exigencies.
