CIRCULAR FOR INTERNS & STUDENTS

Interns during the elective posting have found to be persuading either their fellow co-interns or senior students to mark their attendance (proxy) while undergoing the mandatory one year CRMI (Compulsory Rotating Medical Internship). This is in violation of the CRMI Regulation and Code of Medical Ethics & Etiquette. The undersigned has taken a very serious view of this malpractice.

It is pertinent to mention here that the General Objective of CRMI Programme is designed with a goal to create an "Indian Medical Graduate"(IMG) processing requisite knowledge, skills, attitudes, values & responsiveness, so that she or he may function appropriately & effectively as a physician of first contact of the Community while being globally relevant.

Therefore, the students & interns are directed to abstain from this malpractice & misconduct and if anybody is found indulging in such a malpractice, disciplinary action as deemed fit will be taken against them.
