

Department of Community Medicine
Maulana Azad Medical College, New Delhi

No. 510A/PSM/2022

Dated:-25.04.2022

CORRIGENDUM

Revised Date of Interview for the Post of Lab Technician

With reference to advertisement for the post of project staff on contractual basis dated 16.04.2022 published on MAMC website, the interview under the time bound project “The development of a Health and Demographic surveillance site with focus on epidemiological survey of Dengue and Chikungunya in an urban resettlement colony and slum in Delhi: a prospective observational study” scheduled on May, 02 2022 in the Deptt. of Community Medicine, MAMC for the post of Lab Technician is hereby postponed due to unavoidable reasons. Kindly check this space for further information.

Note: Candidates shortlisted for the post of Field Worker will be informed on 30th April 2022 via email.

Dr. Nandini Sharma
