RESULT OF ICMR PROJECT

Study Title: "Effect of Physiological (Post-Placental Delivery) versus One-Minute-Based Delayed Cord Clamping on Neurodevelopmental Status among Infants ≥ 35 Weeks Born Vaginally: An Open-Label Randomized Controlled Trial."

It is hereby informed that an interview was conducted on **10 September 2026** in the Department of Neonatology, Maulana Azad Medical College, associated with Lok Nayak Hospital, New Delhi – 110002, for the ICMR-funded ICMR-CORD Study for the post of Project Nurse-III (Clinical Psychologist).

However, no candidate could be selected, as none of the eligible candidates reported/appeared for the interview.

Accordingly, the post remained unfilled. The post will be advertised afresh after 3–4 months, and the recruitment will be carried out through the prescribed interview process, as per the applicable ICMR guidelines and terms of the project.
